

ROBOLUTION 2018

Braniac

Category:

For this year, project display is categorized into two categories-

- Category A: For School and College level students
- Category B: For Undergraduate Students

Rules:

- Students from different colleges and universities are allowed to participate into their own categories.
- Participants must bring their respective Student ID for verification purpose.
- Each team may have maximum 6 members.
- Each team must register online.
- Before the event the registration fee must be paid.
- Participants must come to the premises 1 hour before the inauguration ceremony.
- Each group can showcase as many projects as they want, however, registration has to be done against each project.
- Each group should bring their own electrical equipment(e.g. batteries, chargers, converters, multi plug)
- In all cases, decisions taken by organizing committee will be judged as the final decision

Theme:

As our day to day life problems are arising, new method of technologies should be modified. From this aspect, the projects should have a motto, which can be in following fields-

- Energy Harnessing
- Renewable Energy
- Smart city systems (specially in slum area)
- Communication system
- Bio-medical applications
- Nuclear protection
- Automation
- Agriculture based
- Robotics
- Military based applications
- Artificial Intelligence
- Thermal and Refrigeration
- Green Technology
- Network Security
- Miscellaneous applications
- Android Software based Projects

N.B. Above fields are encouraged but not limited to.

Project Evaluation:

- It will be based on the idea representing the project. Also, the project construction, principle, features presentation will also be evaluated.
- Sustainability, scalability and innovated idea should be focused on.

N.B:

- The organizers reserve all rights to change any or all of the above rules as they seem fit. Change in rules, if any, will be highlighted on the Facebook event page and notified to the registered participants.
- All rights on changing rules and judging criteria are reserved.
