

ROBOLUTION 2018

E-Board

This segment gives one the opportunity to represent his/her ideas and a graphical/theoretical / data-based presentation.

Category:

For this year, poster presentation is categorized into two categories-

- Category A: For School and College level students
- Category B: For Undergraduate Students

Rules:

- Each team can have maximum **4** members.
- Participants must bring their respective Student ID for verification purpose.
- It can be based on any topic related to science.
- The dimension should be **2x3 ft** (height 3, width 2)
- Both college and university students can participate.
- Before the event the registration fee must be paid.
- Participants must come to the premises **1** hour before the inauguration ceremony.
- Participants must register online.
- Each group can showcase as many posters as they want, however, registration has to be done against each poster.

Poster Evaluation:

- It will be based on the idea representing the poster. Also, the poster design, principle, features, practical uses, presentation will also be evaluated.

NB:

- The organizer's reserve the right to make changes to any of the above in the interest of fair play and sportsmanship, and to ensure that all competitors have an enjoyable competition.
- In the event of ambiguity, the organizer's interpretation of any clauses of the rules shall prevail.
